

PHI GAMMA DELTA

It's Been a Great Year for Beta Pi

Hello brothers! This semester at Beta Pi has been an excellent one. It's been a very productive semester starting right in the beginning with a meeting with the Grads. We then held a week of events as a mini spring rush. Throughout the semester we have also had a string of brotherhood events including game nights in the Student Center as well as the 36th Annual Frank Norris Pig Dinner.

In This Edition

- Super Bowl Party
- Greek Week
- Meeting with the Grads
- Recruitment
- Pig Dinner
- Seniors

Super Bowl

This year's super bowl party was a huge success with great attendance. Some of our brothers insisted that we also watch the puppy bowl at the same time.

Meeting With The Grads

On January 28, this year we met in the Alumni Center for a graduate-run work shop. Here, we discussed what would be our goals for the upcoming semester and how we were going to achieve them. This was a very productive retreat, and a great experience for us. A special thanks to the graduate brothers that made this possible.

Greek Week 2017

This year's Greek Week was a great success with us taking second place, losing by only one point. The important part, though, was that we had a lot of fun, and built good relationships with members of other chapters on campus. Our teammates on Team Step Up 2: Sigma Delta Tau, Delta Upsilon, and NPHC did a great job, and together all the teams raised around 1000 dollars in the penny wars. A special thanks to Matt Heerdegen for all of his hard work on making this a great Greek Week.

FIJI HALO FEST

April 8 6-10 PM
Student Center Alumni Room

PICK A SIDE

Recruitment

We started right off the bat this semester this with a week of events. We kicked off the week with a Halo Game night in the student center with great attendance, followed by a poker night at the house. We ended the week with a great grill out. Since then we have had several more Halo nights along with playing kickball on the quad. We also have 2 great pledge this semester. We also have been solidifying our recruitment plans for next semester, planning to start off next semester stronger than ever.

Pig Dinner

This year's 36th annual Frank Norris Pig Dinner went quite smoothly. The day started off with a meeting with graduate brothers at the house, where we were able to show off all of the improvements we've been making over the past year. Later, it was time for dinner at the Alumni Center where we had great food and even better conversations. Graduate brother Ryan Willerton, our keynote speaker this year, gave an amazing and inspiring speech. We would like to congratulate everybody that received an award this year as well as a special thanks to Dan Rickert and all of the grads that were able to make this possible, as well as the great advice given to help grow our chapter and make it better than ever.

Our Seniors

We have four brother graduating this semester. Listed from left to right are Matthew Heerdegen, Nate Townsend, Vincent Dory, and Brent Leinonen. All of them have done a lot for the chapter over the years, including holding previous cabinet positions. Matthew Heerdegen was Treasurer, Nate Townsend was Historian, Vincent Dory was Recording Secretary and President, and Brent Leinonen was Corresponding Secretary. We appreciate their hard work and enduring brotherhood. We would like to wish them the best of luck as they move out into the world and on to the rest of their lives.
